Snap it. Share it. Sort it.

The LitterGram app empowers everybody to name, shame and force a massive clean up of one of Europe's filthiest countries.

Yes embarrassingly, it's Britain.

Enough is enough and we don't have to put up with it. Let's finally make change together using the power of social media.

It's a disappointing fact that in the UK every 12 seconds someone flytips and it costs the general public £72 per minute

Use LitterGram to highlight these areas and prevent it happening again

littergram

Each year 180,000 sacks of litter are removed from the roadside.

Drivers are the worst litterer's as they feel unaccountable in a vehicle. Using LitterGram this can be captured and through DVLA the registered keeper can be prosecuted.
